REV-IT LOGISTICS NAMED ONE OF UTAH'S FASTEST-GROWING COMPANIES

Logistics company ranks #79 on the elite Utah 100 list.

SALT LAKE CITY, NOVEMBER 19, 2013—Rev-It Logistics was recently honored by the MountainWest Capital Network (MWCN) as being one of the fastest-growing companies in Utah.

Rev-It Logistics ranks #79 on the MWCN's elite Utah 100 list, which represents the 100 fastest-growing companies in the state. Thousands of eligible companies throughout the state representing all industries were evaluated.

The Utah 100 rankings were determined by the percentage of revenue increase from 2008 through 2012. Rev-It Logistics more than doubled its sales during this time period.

"Rev-It Logistics is honored to be included among this distinguished group of companies driving Utah's economic growth," said Tyler Thatcher, CEO of Rev-It Logistics. "Our inclusion is the result of our team's hard work, dedication, and reputation for providing the highest level of service in meeting our customers' transportation management and delivery needs."

This is the 19th year for the MWCN Utah 100 Awards Program. MWCN is the largest business networking organization in Utah.

Rev-It Logistics was also included on the 2012 Inc. 500|5000, ranking 2325 on the renowned list of America's fastest-growing companies.
